Bring Your Dog!

**1. Spot-Light by Another
Bright Idea Innovations
Inc.**

Spots-Light is a light-up leash, collar and harness system that is designed to make owners and pets visible up to 350 yards away. Equipped with two small, replaceable batteries that last up to 75 hours of continuous use, the system's components are water resistant and easy to keep clean, the company reports. They are available in large, medium and small sizes and come in an array of colors.

3. Doggie Outwearby Canada Pooch

Canada Pooch is a designer of stylish, high quality and functional dog jackets. Based in Toronto, they are the go-to experts for keeping your dog warm, dry and protected this winter. Their new collection consists of trailblazing styles, fresh colours and the ultimate in function and protection. One of the styles, featured at Winter Woofstock is the Winter Wilderness jacket - a parka so warm, thick and cozy, that you may be tempted to try it on yourself! It has a waterproof shell, fleecy warm lining, thick core and even a functional pocket for treat and bag storage.

5. Dog Rain Coats by Muddy Mutts

Imagine returning from a walk and being able to leave the mud and dirt at the door, instead of having it dragged through your home. Protect your floors and carpet, (not to mention your couch, bed or even the dog's bed), from the grit and sand which naturally attaches itself to your dog's legs.

6. Skin care products by Melissa's Aloe Pet

Melissa's Aloe Pet is formulated to provide a wide array of natural vitamins, enzymes and amino acids. A shortage of any of these nutrients in the diet may cause the immune system to become adversely impacted. Aloe Vera and Cactus Juice provide many of the essential vitamins and minerals lacking in the diet, as well as assisting to relieve the discomfort of Fleas and Ticks. By feeding your pets Melissa's Aloe-Pet daily you are providing many of the essential nutrients that can help maintain a healthy robust body.
